Research interests

I am interested in the political theory of work, including topics like exploitation, the ethics and politics of the workplace, the just price of labour, its varieties and its political representation.

Ongoing research

Working papers:

- ‘Democratic Equilibrium: Albert Hirschman and Workplace Democracy’ with *Review of Social Economy* (Revise and Resubmit),
- ‘Sieyes and Marx in Paris’ with *Contemporary Political Theory* (Under Review),
- ‘The citizen and the abstentionist’ with *Critical Review of International Social and Political Philosophy* (Under Review).

(See conference presentations for all papers in progress)
